What we're all **about**

Our **five-point** policy platform

- ✓ Opposition to all New Zealand and Western intervention in the Third World and all Western military alliances.
- ✓ Jobs for all with a living wage and a shorter working week.
- ✓ For the unrestricted right of workers to organise and take industrial action. No limits on workers' freedom of speech and activity.
- ✓ For working class unity and solidarity – equality for women, gay men and women, Māori and other ethnic minorities. Open borders and full rights for migrant workers.
- ✓ For a working people's republic.
